**RECIPE BY LA LA LISSETTE**
**BREAKFAST**

**DIRECTIONS**

Preheat oven to 420°F. Line a baking sheet pan with parchment paper.

In a bowl add flour, baking soda, baking powder, salt and pepper, whisk to combine. Cut butter into chunks, add to flour breaking the butter down with your fingertips until the mixture is crumbly. Add the Premier Protein Vanilla Shake and stir gently. Add two more tablespoons of flour until the dough becomes a ball. Dump the dough onto a well-floured work surface, knead into a flat circle about 1” thick. Using a 3” cookie cutter, cut the biscuits out of the dough and place on baking tray. Bake the biscuits for about 12 mins.

**INGREDIENTS**

- 2 cups all-purpose flour
- 1/2 tsp baking soda
- 2 tbsp baking powder
- 1 pinch salt
- 1/4 tsp black pepper
- 8 tbsp cold butter
- 1 cup Premier Protein Vanilla shake
- 4 pre-cooked breakfast sausage patties
- 1 bunch spinach
- 4 egg whites
- 4 slices reduced fat swiss cheese

In a large nonstick pan, heat the water, add spinach, cook until wilted. Transfer to a plate. Wipe out the pan with a paper towel and place back on low heat with the butter.

In another bowl, whisk the egg whites until light and airy. Add egg whites to the pan and cook for about 4 mins. Flip the egg whites over and cook for a further 2-3 mins.

Warm the sausage patties in the microwave and slice the biscuits in half. Place a sausage patty on the bottom part of each biscuit. Top the sausage with a slice of swiss cheese, piece of the egg white and some of the wilted spinach. Place the top on each biscuit and serve with your favorite condiments.

**RECIPE BY FOODNESS GRACIOUS**
Preheat oven to 350°F.

In a large bowl, whisk all the eggs together. Once mixed, measure Premier Protein Vanilla Shake to get 1 1/2 cups of liquid. Top off the remaining amount of liquid with milk to ensure you have 1 1/2 cups. Add to the eggs. Add the coconut sugar, vanilla, cinnamon, nutmeg, and salt. Stir until combined and smooth.

Cut bread into 1/2” cubes and measure to get around 14–15 cups. Gently toss the cubes with the egg mixture, cover and refrigerate for 15 mins.

Remove, toss again gently, and return to the fridge for another 15 minutes.

Generously grease a muffin pan with cooking spray. Add the bread mixture evenly into each cavity pressing down on each one.

Bake for 20–27 mins, or until the tops are golden brown and slightly crispy. Remove and allow to cool for a few min. Serve with pure maple syrup and fresh fruit as desired.

- 2 tbsp + 1/2 tsp coconut oil, separated
- 4 tbsp honey
- 2 tsp vanilla extract
- 1/4 tsp salt
- 2/3 cup Premier Protein Vanilla Powder

Drizzle the chocolate over the bars and allow to set up at room temperature.

Store bars in an airtight container in the fridge for up to 2 weeks. Best enjoyed within 1 week.

Remove from fridge and using the overhang, pull the bars from the bread pan. Cut the bars into 10–12 individual bars. Enjoy or add the chocolate drizzle.

Line an 8.5x4.5" bread pan with parchment paper or foil. Make sure to leave an overhang with the parchment paper/foil and set aside.

In a large bowl, add the almond butter, 2 tbsp of the coconut oil, and honey. Microwave for 10–15 sec, stir until smooth and combined. Add vanilla extract, salt, Premier Protein Vanilla Powder, coconut flakes, and miniature chocolate chips. Stir until everything is combined and you have a thick dough. Press dough into the prepared bread pan. Cover bars and chill for one hour in the fridge.
